

OVERVIEW

COMPANY

Avangrid Renewables, LLC is a subsidiary of AVANGRID, Inc. and part of the IBERDROLA Group. It is a leading renewable energy company in the United States, owning and operating a portfolio of renewable energy generation facilities. It owns and operates 7.1 gigawatts of electricity capacity, primarily through wind power, with a presence in 22 states. Avangrid Renewables is headquartered in Portland, Oregon.

AVANGRID, Inc. (NYSE: AGR) is a leading, sustainable energy company with \$31 billion in assets and operations in 24 U.S. states. IBERDROLA, S.A., is an energy pioneer with one of the largest renewables asset bases of any company in the world.

Avangrid Renewables is strongly positioned to develop, build, and operate the clean energy infrastructure of the future. The company produces an economic windfall for numerous rural communities while providing smart, competitive energy to its customers. The company also operates crucial natural gas-fired generation and a state-of-the-art 24-7 National Control Center, which acts as the nerve center of the company's generation portfolio. With every new, innovative, customized project powered by the wind or the sun, on land or at sea, the company is helping lead the transformation to a competitive, clean energy future.
