Public Involvement Program (PIP) Plan filed, initiating the Article 10 process.

Public Scoping Statement to be filed, which will describe the scope and methodology of studies to be included in the Article 10 Application.

Stipulations: The Applicant may commence consultations and seek agreement with any party as to the methodology or scope of any study or evaluation to be made in support of the Application.

After submittal to the Applicant DPS must make a completeness determination within 60 days, if deficiencies are identified, they will be addressed through an Application Supplement.

Application deemed complete. The Administrative Law Judge will set a date for a Public Statement Hearing and a Pre-Hearing Procedural Conference.

Parties may submit Information Requests (IRs) to the Applicant seeking additional information or clarification on specific topics. The Parties must also identify "issues" that they may wish to litigate during hearings.

Decision. The Siting Board must make a decision on whether or not to issue the Certificate within 1 year of the Application having been deemed complete.

If favorable permitting decisions are obtained, commence project construction.
