

Wildlife Rehabilitation Grantees

NAME	CITY/STATE	DESCRIPTION
Liberty Wildlife libertywildlife.org	ARIZONA Phoenix	Liberty Wildlife will use their funding towards adding 20 smaller evaporative coolers to their Wildlife Enclosure for small, temperature-sensitive birds and mammals on both the rehabilitation and education wings.
UC Davis California Raptor Center crc.vetmed.ucdavis.edu	CALIFORNIA Davis	The UC Davis California Raptor Center will be able to fund a volunteer/education coordinator position to improve operations through their grant.
Ojai Raptor Center ojairaptorcenter.org	CALIFORNIA Oakview	To enhance their rehab efforts on behalf of injured raptors, the Ojai Raptor Center will apply their grant funds to purchase x-ray equipment.
Sharon Audubon sharon.audubon.org	CONNECTICUT Sharon	The Sharon Audubon will use their grant to upgrade a high-use enclosure and optimize the ease and success of rehabilitation, expand care to a variety of species, and further their conservation and educational impact.
Roaring Brook Nature Center roaringbrook.org	CONNECTICUT Canton	The Roaring Brook Nature Center, which is part of The Children's Museum in West Hartford, will use their grant funds toward operational expenses necessary to maintain programming and intake.
Center for Wildlife thecenterforwildlife.org	MAINE Cape Neddick	The Center for Wildlife will apply their grant funds to expand their educational programming portfolio, which reaches tens of thousands each year.
Hawks Aloft hawksaloft.org	NEW MEXICO Albuquerque	The Hawks Aloft team will apply their grant funding to acquire and repair of a 100-foot circular flight cage. Despite being critical equipment for rehabbing large raptors, only three such cages currently exist in New Mexico.
Whispering Willow Wild Care whisperingwillowwildcare.org	NEW YORK Schenectady	Grant funds to Whispering Willow Wild Care will purchase food for resident birds, fund key facilities and equipment upgrades, and expand educational materials.
Nature's Nursery natures-nursery.org	OHIO Whitehouse	Nature's Nursery will apply grant funds towards pre-exposure rabies vaccinations, allowing staff to care for critical species — like bats — that require special handling.
Blue Mountain Wildlife bluemountainwildlife.org	OREGON Pendleton	Blue Mountain Wildlife will use grant funds to support their Remote Education Enablement project, helping BMW bring their birds to the virtual classroom and expand access to programming.
Wildlife Works wildlifeworksinc.org	PENNSYLVANIA Youngwood	Wildlife Works will apply grant funding towards the purchase of new diagnostic tools to provide immediate testing and life-saving care.
