The Avangrid Foundation is an independent 501(c)(3) organization that engages in mission-driven giving and is the principal philanthropic arm of AVANGRID and is based in Orange, Connecticut. Since 2002, the Foundation and its predecessors have invested over $28M in grants, contributions, scholarships and matching gift programs in communities where AVANGRID and its subsidiaries operate and serve, both in our everyday work and in times of extraordinary crisis or special need.

A COMMITMENT TO COMMUNITY
The mission of the Avangrid Foundation drives us to invest in people and build sustainable communities that are vital, vibrant and resilient by putting energy into what really matters such as reducing barriers to access in education, preserving artistic and cultural heritage, enhancing health and wellness, and preserving the natural environment with a special focus on the communities in which we have an operating presence.

GLOBAL REACH & VISION
Foundation investments also extend to prominent partners like the American Red Cross and Habitat for Humanity who make a difference locally and globally in the areas of sustainable development and meeting the needs of the most vulnerable people.
2020 HIGHLIGHTS

The Foundation committed $1 million – its single largest emergency response to date – to national and regional organizations doing critical work on the COVID-19 pandemic’s front lines.

**Supported diversity, equity and inclusion** with an emphasis on the 100th anniversary of the ratification of the 19th Amendment and women’s suffrage and approximately $1 million invested locally and nationally.

Announced the **Working Together for Justice and Equality** employee giving campaign to match gifts to eligible organizations dollar for dollar to promote greater justice and equality across race, social and economic lines.

Awarded $100,000 in grants through its first-ever nationwide request for proposals for the **Wildlife Rehabilitation Program** for biodiversity and habitat preservation.

Twelve nonprofits selected by employees for the **#AVANgives** program to each receive a $5,000 gift to further their work to advance equality and serve women, girls and diverse groups in our communities.

SUSTAINABLE DEVELOPMENT GOALS

The Avangrid Foundation’s giving aligns with the United Nations’ **Sustainable Development Goals**, a global call to action tackling environmental, social and economic challenges through more inclusive and sustainable development models.

EMPLOYEE GIVING

The Avangrid Foundation is extending the philanthropic reach of AVANGRID’s nearly 7,000 employees throughout the United States as a partner to The **AVANGRID Employee Giving Program**. The Foundation offers a 50 percent match on the dollar for employee contributions to the causes they care about, with thousands of qualifying non-profit organizations eligible nationwide.

“ The Avangrid Foundation is committed to creating a healthier, more equitable and sustainable future for people and communities, made possible by being deeply rooted as part of the places we serve.”
